SPARTANS
 MOVING UP MARCHING ON THE
 STUDENT LIFE PASSING E
 IN REVIEW MOVE

"Spartans on the move"

"Spartans On The Move," theme of the 1970 Odyssey, depicts the atmosphere of the Villa Park High School campus this year . . .

Campus Life: Diversified, hectic . . .
A "boiling pot" of spontaneous and informal activity . . .

People in Motion—
Always moving in a frenzied attempt
To capture and hold moments . . .

Rushing to class in the rain,
Struggling to pass a test,
Relaxing for only a moment at break
and lunch,
Anticipating a dream of spring—
and graduation . . .

The forever popular sports event—
Time captured in action—
The forward pass,
The forehand volley,
The fast break,
The high jump,
The putt,
The moment of victory . . . sometimes
defeat . . .

Spirit—
Screams, tears, clapping, cheering,

Girls in short skirts,
Classes trying to outshout each other,
Sounds and pictures of spirit . . .

Learning . . . the main experience
at VPHS—
Work to be done—
Competition with other schools,
Competition among the students . . .

Confusion on the campus—
Activity schedules,
Rally schedules,
Assembly schedules,
"What's the regular schedule?"

Conflict on campus—
Vietnam and the Draft—
Black,
Red, White, and Blue armbands . . .

Conflicts,
Changes,
Traditions,
People—giving the campus its soul . . .

As participant or spectator,
"Now" was the role we played . . .

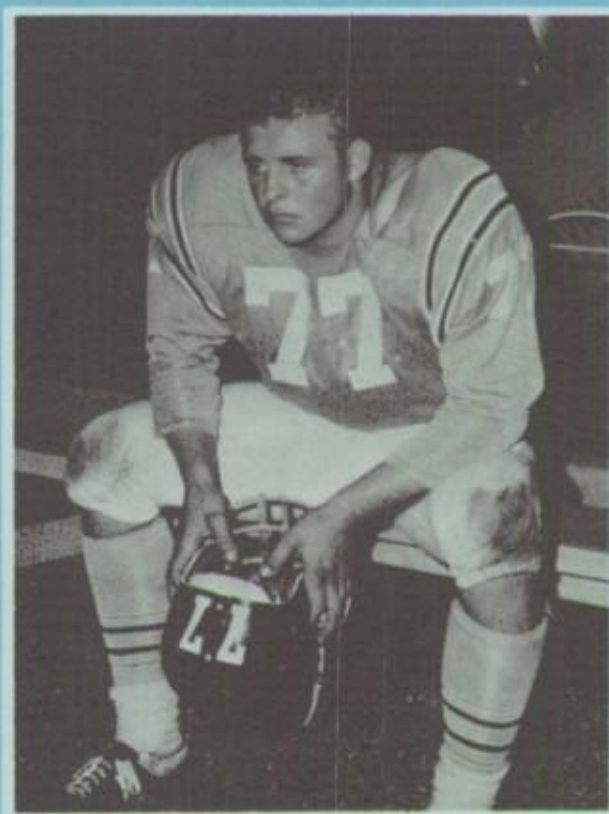

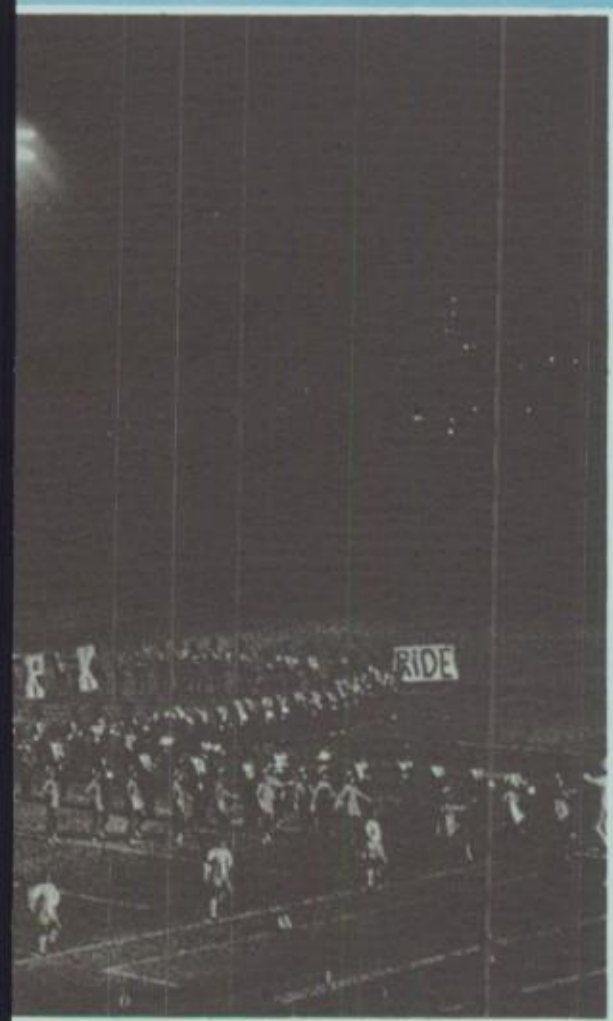

Tomorrow fashioned
Our dreams.

Empty corridors began to fill with familiar faces and friendly chatter; once again Villa Park High had come to life. The Big-Little Sister Luncheon overflowed with sophomores—an indication of the inundation by the class of '72 that was to follow. The first pep rally was a bad case of the blahs, but enthusiasm rose to a new "hi" at the first dance of the year. The traditional Girls' League opening assembly proved to be unique with Laurie Kuhn and Mrs. Lillegraven acting as moderators. With the sweet taste of victory at the first football game, Spartan spirit surged upward. 1969—"The Year of the Spartan"—had started.

Happy moments of Spartan life are shared by Melanie Wallace and Larry Peterson.

ASB leaders abolish apathy, push involvement

Under the determined direction of President Bob Gumpertz, the student body officers of the 1969-70 school year left their mark in the journals of VPHS government. Heading the list of projects was the ratification of a new constitution to rectify inadequacies in the school's first student organization contract. The basic goal of the Gumpertz administration, according to its controversial leader, was "to make student a valid adjective when describing student government."

The Spartan's first full-time activity director, Mr. Don Buck, was always on hand at the Monday, Wednesday, and Friday cabinet meetings as well as at all other Villa Park activities and athletic contests. His genial presence could be counted on to spark enthusiasm and to cool tensions.

The House, made up of third period representatives, met weekly to discuss and vote upon cabinet proposals. These two congressional bodies made up Villa Park's legislative branch of student government; members were responsible for reporting back to their constituents.

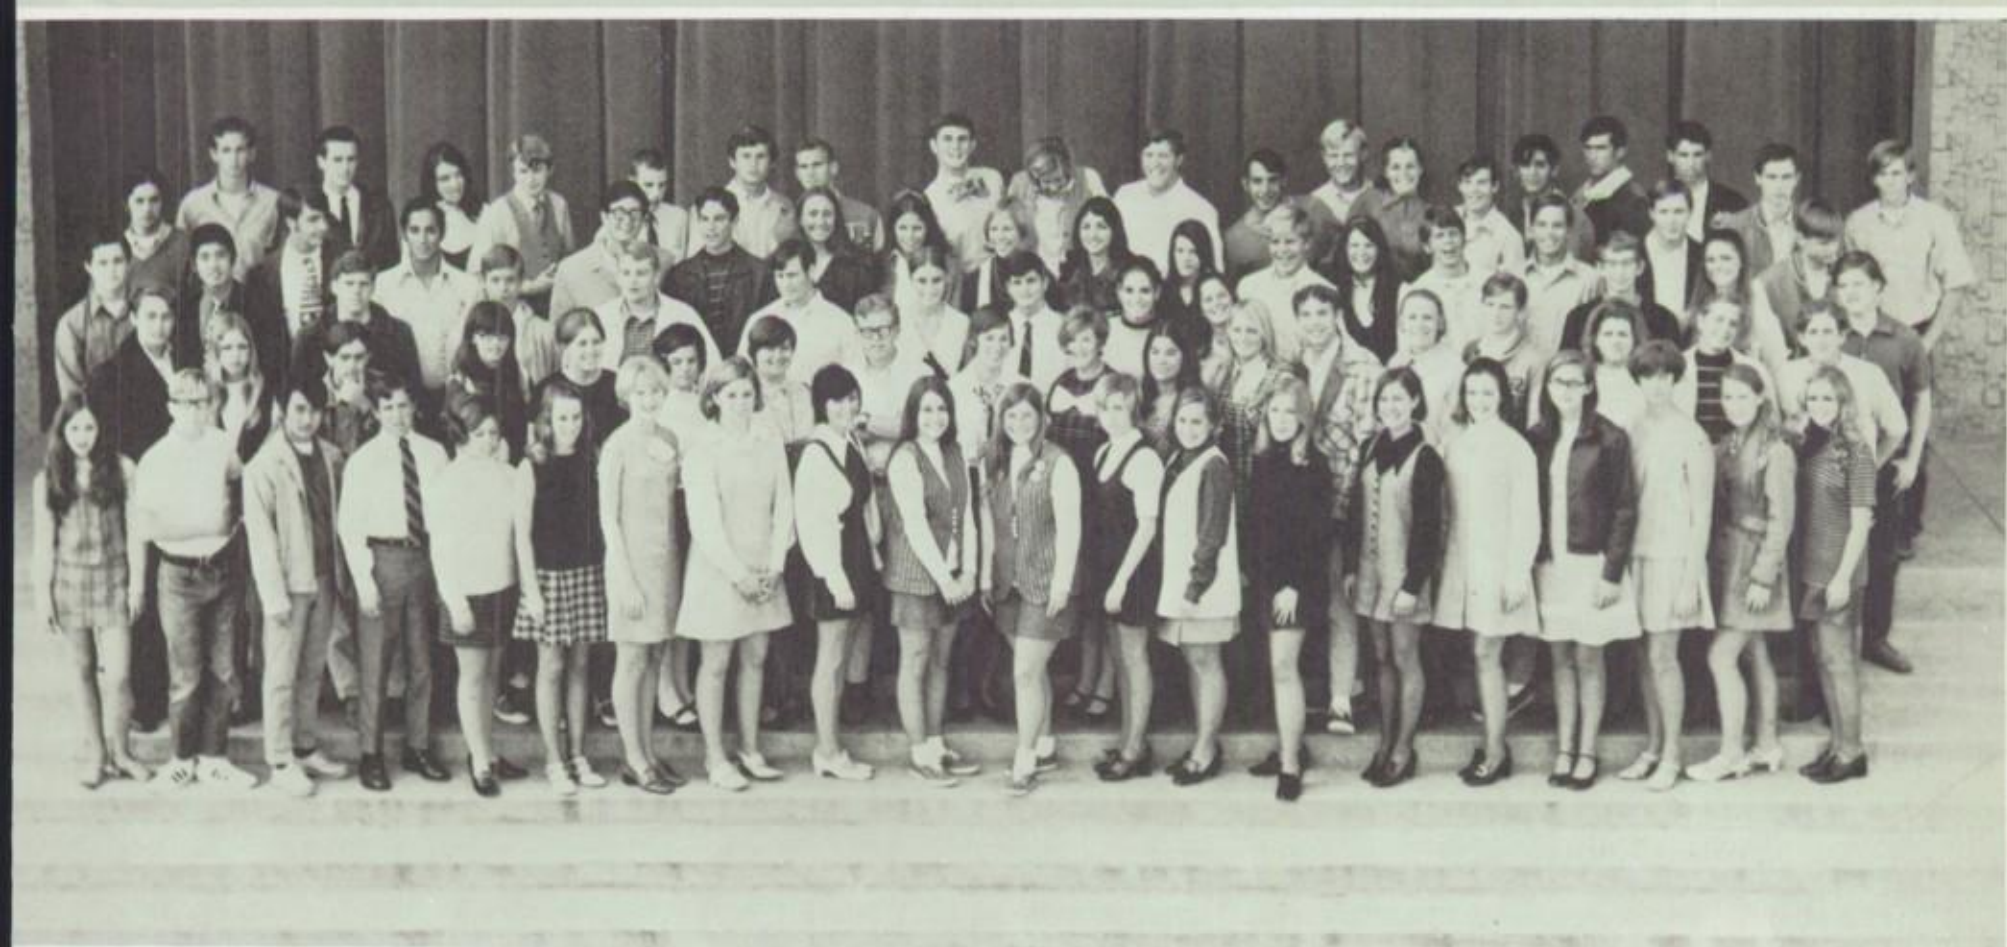

The Board of Control, directed by Chairman Mark Cessna, interpreted the ASB constitution for cabinet and supervised elections and the Gumpertz confidence vote.

Spirit makers continually boost Spartan

enthusiasm

Chris Montonna, Marsha McKenzie, Karen Lagerquist, Diane Appleby and Diane Conannon boosted the many teams to strive for

Spartan victories by their continual enthusiastic support.

Besides the usual duties of practicing, planning pep rallies, sign painting and cheering VPHS teams in victory and defeat, this year's Varsity Pep Squad accompanied the Spartan Band and Drill Team to parades and invitational performances. Having received a trophy at summer training camp, the 1969-70 Songleaders were invited to perform at a Ram's game and were seen on TV across the nation. Mascot Val Spencer assisted the cheerleaders and represented Spartan Spirit. Val consistently instilled pride, especially when ringing the victory bell proclaiming Spartan victories. For the second year, JV cheerleaders sparked enthusiasm for the teams that are often forgotten.

Mascot Val Spencer provided crazy intervals for the tense moments of VPHS athletic events.

RIGHT: Songleaders Laurie Kitagawa, Vickie Angel, Cathy Downs, Debbie Wischnack and Angie Young were caught in a rare moment of relaxation from long hours of practicing peppy routines.

The Junior Varsity Squad consisted of Barb Denholm, Nancy Walker, Lisa Fearn, Paula Haase and Stephanie Spelliscy. The girls in-

spired the J.V., Bee and Cee teams at games and rallies.

Missed deadlines, excursions around and off campus, harried distribution days and the proud quivery feeling of having a story in print contributed to a typically frantic year for the **Oracle** newspaper staff.

Guiding struggling young journalists through the treacherous shoals of objective reporting, Adviser Mrs. Doris (the Didactic) Lowman coaxed, tempted, and threatened her brood into coming up with a decent product. Oracle co-editors Sue Sawtelle and Joan Ewald mapped out story assignments with fellow page editors Steve Fehr, Scott Fletcher and Randi Reinhardt. The forward echelon of reporters included Linda Sanderson, Sharon Sawtelle, Marla Crosswhite, Kathy White, Mark Taylor, Doug Farson, Bruce Teeter, Jim McAferty, Mary Anne Fioretta, Cathy Christian, Jim (Deep) Wells and Linnea (Baby Eagle) Lagerquist. Once aimed at the target, photographers Tom Evans and Brian Messenger took fairly clear pot-shots.

Odyssey staff captures the essence of memories

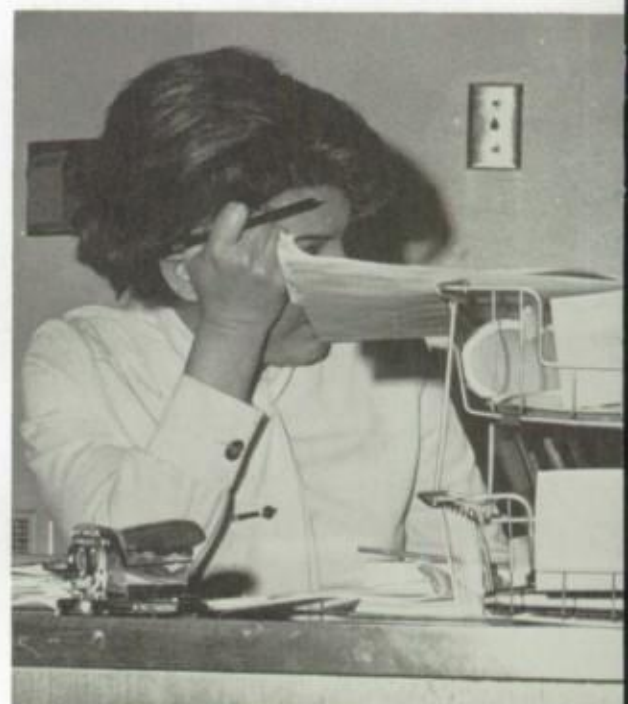

From the time the staff first heard Mrs. Lowman say, "I want 92 pages in my hands by Tuesday," till the time she got the 264 pages in March, the Odyssey staff strove to record "the Spartans on the move." Under the able Leadership of Adviser Mrs. Doris Lowman and Editor Marsha McKenzie, the troops worked late at night, on weekends, and during Christmas and Easter vacations to meet deadlines.

The turmoil of the Senior section, the hassle of taking club pictures, writing sports copy before it happened and the failure to communicate with the

photographers added to the chaos of putting a yearbook out.

The 1969-'70 Spartan Band

The Spartan Band practiced all season to march in the Long Beach All-Western Invitational Band Review on Nov. 29. They

placed fifth out of all participating bands. The parade lasted 3½ hours. This band re-

view is held annually and brings together the best bands.

The Villa Park High School Band got off to a winning start when, in October, they took first place in the Rosemead Parade. The Marching Spartans performed during football half-times at Kelley Stadium; in November they marched in the Santa Monica and the West Arcadia Parades, placing second in both events.

The 126 members of the Spartan Marching Band were invited to the All-Western Band Review where they placed fifth out of seventy competing high schools.

The Drill Team, on September 28, performed at the L.A. Coliseum for a Rams' pre-game ceremony. The Rams invited them back and December 21 they performed at game half-time, winning a trophy for their precision drills.

"Memories Yet to Come" provided a perfect theme for this year's Homecoming dance, Saturday, November 15, welcoming back Villa Park's 1968-1969 alumni.

Keeping with the new tradition, the Villa Park football team finally defeated the Tustin Tillers by a score of 29 to 25.

After the excitement of the football game and the suspense of the crowning of the 1969 Homecoming Queen, the students, alumni, and guests of VPHS settled down to an enjoyable evening of dancing and mingling. Happy couples danced to the music of the excellent rock group—"Windsor Gait".

The attractive court, elected from this year's pep squad, reigned over the gala event.

"Twilight In Ice" provides a romantic

Traditionally held before Christmas, Coronation was held January 17th this year. Decorations of glitter and flocked Christmas trees provided the perfect atmosphere for the theme of "Twilight In Ice."

"The 13th Our" provided music for the evening, and special guests Lyle Wagner, featured entertainer of the Carol Burnett Show, and his wife Sharon were on hand to crown the King and Queen.

Many a fervent wish was made as pennies were thrown into the fountain at South Coast Plaza where the January Coronation Ball took place.

Senior class officers and senior class advisers selected the court to acknowledge individual contributions to Villa Park High School and the class of '70.

Members of the Coronation Court were Marlene Huff, Chrissy Nicholson, Cindy Brown, Cindy Kopel, Cathy Ferrel, John Duggan, Steve Segovia, Rob McKenzie, Ron Kisner and Tom Channell.

Spartans enjoy after-hours entertainment while

Spartan talent was displayed at the annual Villa Park High School Hootenanny in the cafetorium on February 19 and 21.

Under Liz Prestigiacao's expert supervision, the musical event was a sell-out. Phil Gale, Gerry Gorham, Rob McKenzie, Ken Shimizu, and Waverly Boling were just a few of the great performers. The "Age of Brother-Hood" were the guest singers. Jim McAferty was the Master of Ceremonies for the evening.

"We've got spirit" . . . continuing the tradition, VPHS had its sixth annual Spirit Week preceding the October 31 game with crosstown rival, Orange High School.

Seniors painted a toilet silver and placed it on top of the round house. Juniors, with the help of Donegan's Funeral Home, used a hearse and casket to figuratively bury the Orange Panther in Tuesday's assembly. Sophomores actually hung Orange in the olive trees of VPHS.

Villa Park's Drama Department started the New Year off with a bang by running a four-night performance of "The Rainmaker," February 3, 4, 5, and 7. Under the direction of Tim Park several dedicated and talented students produced this play for the general public's viewing pleasure. The story takes places in the Midwest and involves a deputy sheriff, a family, and the "Rainmaker" whose promise of rain finally materializes. Leading roles were played by Sally Mason, Marcia Blucker, Ron Metcalf, and Bud Schindler.

Among this year's activities, Orchesis, VPHS' modern dance club, raised money by selling candy suckers. The highlight of the year was on Friday night, May 1, when the girls presented "Shadows On The Mind" in the Spartan cafetorium. In this year's annual spring production, Orchesis members performed to 25 numbers demonstrating the techniques of graceful, flowing movements developed throughout the year. Members benefited from the knowledge and experience of two advisers this year: Mrs. Barbara Saben, first semester, and Mrs. Nancy Keppler, second semester.

As sponsor of Villa Park's exchange students, the American Field Service helps to promote understanding between young people both abroad and at home. This year the AFS exchange student was Ken Shimizu from Japan.

Coming to Villa Park from Kumagaya High School for boys, Ken stayed at the home of the Lynn Shackelford family. Ken's main extra-curricular time is occupied with photography and folk singing. Ken displayed his folk singing talent at the hootenanny.

The Youth For Understanding exchange students were Sylvie Pages from France and Ed Caluag from the Philippines. Sylvie Pages stayed with Leslie Clark and her family after her arrival from Paris. Sylvie's hobbies consist of reading and judo. She has a brown belt in judo.

Ed Caluag came to the United States via Hawaii and San Francisco. Although he has won prizes in spelling and poetry, Ed enjoys basketball and collecting stamps more.

Participation in clubs promotes awareness

The Olympians inform those interested in mountain climbing and backpacking about equipment and new hiking areas. Pictures and information of past trips were presented at their meetings.

The purpose of S.O.S. is clearly stated in its name—Spartan Orphan Support. Some events this year have been visiting the orphanage in Tijuana and giving free breakfasts for the deprived children in Santa Ana. They have also had numerous money making projects such as the bunny raffle and bake sales.

Ghost towns, auctions, coin shows and meetings added to the excitement of the study of new and old coins. Meeting during activity period and often after school, members pored over coin catalogues searching for coins to enlarge their fantastic collections.

A pre-season record of one victory, one

Pacifica & Savanna

Villa Park played two pre-season games this year. The first one, a contest with Pacifica, went smoothly for the Spartans. The first score was a 36 yard field goal by Pat McNally. The second was a McNally pass to Hart covering 36 yards. Pacifica made their touchdown and only score on a pass from their quarterback. Gordon Duncan scored on a 2 yard plunge to end the scoring and the game. The final score was V.P.—16, Pacifica—6.

The second pre-season game, with Savanna, got off to a fast start for the Rebels and quite a slow one for Villa Park. V.P.'s only scores were by Paul Hart and Bob Rogers. The final was: Savanna—28, Villa Park—16.

defeat carries varsity into league action

Laguna

On October 3 the Spartans traveled to Laguna Beach for the league opener against the Artists. John Tully threw a 30 yard pass to Paul Hart who scrambled to the six yard line. Bob Rogers then took the ball in for the score. Pat McNally added the extra point. The Artists came back quickly to score six points with only 16 seconds left to go in the half. The second half started when Dave Medigovich showed his running ability by running into the end zone for a touchdown. The conversion attempt was no good. Later that same quarter, Gordon Dunbar carried the ball for another touchdown. More scoring came later with both Medigovich and Rogers crossing the goal line. V.P. ended up on top 4-6.

San Clemente

Villa Park's first league game at home was played on October 10 against a fired-up San Clemente team. The first half was entirely Spartan. Bob Grimm tackled the Triton punter in the SCHS endzone for a safety and two points in the first quarter. Pat McNally kicked a 14 yard field goal in the second quarter to make the score 5-0 at the end of the half. McNally booted a 49 yard field goal in the third period to shatter the Orange County record and increase the Spartan lead to 8-0. But in the final period the Tritons scored a touchdown and added a two-point conversion to make the final score 8-8.

LEFT: Junior Pat McNally hands the ball to senior running back Dave Medigovich.

MR RIP—San Clemente: Herold

Foothill

Explosive, powerful, undefeated three games, the Knights from Foothill promised to be Villa Park's biggest challenge in 1969. Both teams looked impressive throughout the first quarter. Second quarter action saw a massive drive executed by the Knights who scored the first point of the evening. Spartan Paul Hart, determined to make his team come back and score charged through the Foothill line to jar the ball loose from the Knight Q.B. Bob Grimm alertly scooped up the ball and ran 34 yards for a T.D. At half the score was knotted at 7-7. Foothill went on to score two more touchdowns and remain undefeated with a 21-7 victory.

MR RIP—Foothill: Thompson

El Modena

District rival El Modena was next on the Spartan football list. The game was played on a chilly October evening at Fred Kelley Field and was the first test for Villa Park to decide who would win the coveted "City Championship." Vanguard from El Modena jumped to a quick 7-0 lead in the first quarter on a long touchdown pass and a successful point after play. Taking advantage of a Spartan fumble in the second quarter, the Vanguard tallied again to set the halftime score at 13-0. Villa Park struck for a quick six points on the initial drive of the third quarter. The scoring play was originally planned as a field goal, but the snap from center was so high that quarterback Pat McNally was forced to pass to halfback Dave Medigovich. VPHS made a gallant struggle in the fourth period, but El Modena's defense held and the Vanguard walked off the field with their first win.

Spartans charge on in gridiron contest

Orange

In the seventh game of the season, the Spartans met Orange High's Panthers in a cross-town battle on Halloween night. The first set of downs saw Orange move 83 yards for the first score of the game. Late in the second quarter a near perfect Pat McNally punt went out of bounds at the Panther three yard line. As Orange attempted to move the ball downfield, guard Jeff Gressard caught a Panther ball carrier in the end zone for two points to account for the first and only Spartan scoring. The rest of the scoring came late in the game and was all Panthers. Orange got three touchdowns, all in the air. Two of the touchdowns were by quarterback Mike Churchward and the other was an interception of a McNally pass. The final score was a disheartening 28-2.

MR RIP—Orange: Gressard

Team Captain, Gressard, crushes Orange with the help of Tom Channell and Gordon Duncan.

Mission Viejo

Thunder and lightning ruled Orange County skies on the night preceding the November Villa Park - Mission Viejo contest at Mission Stadium, and the Spartan footballers carried it over the next night as they rolled by a hapless Diablo team by a score of 34-7. Offensive leaders Pat McNally, Paul Hart, Dave Luchau, and Gordon Duncan all scored touchdowns in pacing the Spartans to their second league win. An amazing four touchdowns were scored in the first quarter alone. Mission scored one touchdown on a 7 yard halfback pass and PAT in the same period. McNally clinched the game in the third quarter when he lunged into the end zone from the four yard line.

Spartan victory over Tillers establishes new

Tustin

Villa Park started its final game of the season with a bang. The Spartan eleven received the kick-off and traveled 63 yards in ten plays. Dave Medigovich gave VPHS its first score. Only minutes later the Spartan front four caused a Tustin fumble which led Pat McNally to a 25 yard field goal. Medigovich again got the Spartans going as he started the second quarter with a 60 yard touchdown run. The second Villa Park drive of the quarter was stopped by a fumble and Tustin capitalized with a scoring pass. On the next series of downs, VPHS went 43 yards and Dave Luchau capped the drive with a four yard plunge. In the third quarter, Tustin minimized the Spartan's lead 23-16 with another scoring pass from quarterback Cornahen. Both teams scored six points more in the fourth period, but it was not enough for the Tillers as the final score rested at 29-25—Spartans the victors.

Homecoming tradition

Coach Ike Isaacson

Coaching high school football demands many hours of hard work and dedication. Head coach Kermit "Ike" Isaacson demonstrated these qualities while guiding the Spartan gridders to a successful 4-4-1 football season. Isaacson, in his sixth season at Villa Park High School, headed an energetic staff of assistants: Dave Colville (end coach), Bob Pomeroy (defensive coach), and Bob Hummell (linebacker coach), who also coached the junior varsity team.

Barney Greathouse

Barney Greathouse, in his fourth year on the Villa Park staff, kept the boy's athletic department moving smoothly. He was seen checking locks, repairing equipment, and handing out uniforms. Barney's first job at V.P. was to reorganize the handling of athletic equipment. Ever since then he has kept both boys and balls in bouncing condition, and has put new ideas into effect. Much precious time has been saved because of Barney's efficiency in handling and management. His outgoing personality has won him many friends.

Visions of victory greeted Villa Park's baseball team as the 1970 season opened. Blessed with fluid mobility and a potent scoring offense, Coach Mel Grable's defending Crestview League champs faced stiff opposition in the early going while compiling a 2-2 pre-league win-loss record. Returning to the lineup for the 1970 season were lettermen Mark Olson, Bob Rogers, Tom Channell, Art Fiebing, Dave Jarvis, Scott McConnell, Rick Millard, and Rosh Ansari. These men were responsible for providing the team's leadership.

Opening the 1970 Crestview campaign, the Spartan Nine erupted for seven runs in the second inning against Laguna Beach and went on to win by a score of 8-4. A highlight of the season was the cross town clash between Orange and Villa Park.

Sun-swept and well-conditioned, the 1970 Spartan golf machine cranked up and bolted loose in the Crestview League. Competing against teams from Laguna Beach, Foothill, Orange, San Clemente, Tustin, Mission Viejo, and El Modena the Phil Johnston-coached golfers sported a balanced team effort in 1970. Senior Hap Engle and junior Randy Lauridsen starred for the team.

Many hot afternoons were spent practicing at the Spartan's home course at Green River, and weekends supplied extra time at the golf ranch to perfect skills and individual talents.

Villa Park's golf team lined up a busy schedule; often the linksters played two competitors in one week.

Frustrated Miss Whipple worked hard during and after school as adviser to Villa Park G.A.A.

Encouraging good sportsmanship in all of their activities, Girl's Athletic Association sparked the minds of athletic-minded girls with their many events. Spurred on by President Jan Collings and their advisers, the members pursued greater knowledge of sports as they entered into practices

and playdays. Inter-school playdays, one of the most important events of the year, promoted friendship. Starting the year off with basketball, the G.A.A. continued to offer more exciting sports, such as field hockey, volleyball, baseball, tennis, and badminton. Each sport lasted one quarter.

THIRD ROW: Jackie Hoffman, Ellen Dunn, Jeannie McGinnis, Sharon Neben, Debra Meyer, Joan Usack. TOP ROW: Chrissy Nicholson, Jan Collings, Karen Marquart.

G.A.A.'s team sports played basketball to open up the year. After a lazy summer, the basketball courts that they dashed back and forth upon seemed longer. But, by the end of the season, most players had conquered the demands of the game. Seniors took the championship in the inter-class games. The Juniors and Sophomores proved themselves true to Spartan Determination at the inter-school playdays.

Sharon Neben and Robin Rogers watch with hopeful anticipation as Karen Marquart leaps to sink two points for G.A.A. Spartans at the Corona Del Mar playday held at Villa Park High.

push for victory

Junior Debbie Conkey leaps to return a volley tryouts for V.P.'s Invitational team.

Junior Debbie Malkus demonstrates the skill of keeping her eyes on the volleyball at all times.

Volleyball was the third quarter sport for G.A.A. team sports. After a few weeks of drilling at the various skills necessary for a good volleyball team member, the work began. On March 14, Villa Park hosted an inter-school Volleyball Invitational. Girls from Villa Park G.A.A. gave up their Saturday to take care of the duties of a hosting school.

JUNIOR TEAM—COUNTER-CLOCKWISE FROM TOP OF G: Kathie Friend, Carol Bales, Pam Henning, Barb Cassatt, Chris Bradley, Shelley Wilson, Jan Billings, Linda Rodieck, Sandy Goldman, Karen Durst, Carol Decker, Denise Wells, Chris Hoffman, Dottie Hilton. CLOCKWISE FROM TOP OF FIRST A: Kathy Thilges, Debbie Malkus, Jean Smith, Mira Perinovic, Jackie Pierce, Barb Hoyt, Mindy Borel, Janet Knutsen, Debbie Conkey, Jan Passovoy, Celia Forrester, Kathy Cooper, Mary Pocinich, Linda Laufenberg. CLOCKWISE FROM TOP OF SECOND A: Sue Doerr, Kathy Paulus, Cindy Morrow, Vicki Statsmann, Debbie Wilcox, Cindy Nagamatsu, Sue Hoffman, Melissa Harless, Karen Chamblin, Evy Kakis, Nancy Vasquez, Julie Bergen, Jane Oswald, Sue Hubbell, Jane St. John.

SOPHOMORE TEAM—BOTTOM ROW: Sheldon Dillingham, Ingrid Katz, Carol Baxter, Debbie Collings, Shirley Fritts, Jenny Percy, Carla Kleist, Judy Welsh, Stacy Isaacson, Leslie Haun, Nancy Chidder, Cheryl Rusk, Diane Krass. SECOND ROW: Gayla Mullen, Debbie McClinton, Mary Fioretta, Ann Ferguson, Linda Moore, Cindy Baker, Charlotte Tanner, Patty Romero, Judy Hedlund, Linda Knepper, Susan Salem, Leslie Fouts, Gloria Goldman, Patty Moriarity, Betsy Young. ROW THREE: Kim Lyman, Sue Gunther, Ann Nelson, Valerie LaBahn, Wendy Hyatt, Lori Ragan, Nancy Wieman, Lindy Stevens, Ann Pocinich, Salli Salem, Susan Parker, Bonnie Tarabilda, Linda Sanderson, Sheila Pickles, Beth Fenn, Sue Shepard, Janet Flavell, Kathy Pierce, Sue Durst.

ABOVE: Sophs push for the merits of Spartan victory at the Fountain Valley hockey playday. Villa Park Spartans experienced the bitter taste of defeat in field hockey this year.

RIGHT: Sophomores Lorie Ragan and unknown friend patiently await half-time to pass out oranges.

Field hockey came second quarter to G.A.A. along with the rains and cold weather. Racing along the muddy 100-yard field in the cold with stick in hand and shin-guards strapped to legs was enough to tire any hard-working girl athlete. Endless mud puddles made for an occasional slip and mud bath

but it was all in the game. In December a selected few ventured to Griffith Park for a Saturday of hockey experience with professionals on a cricket field. Although not too successful at their inter-school playdays, their dedication balanced out their lack of skill.

Imagination in modern dance

Junior Jane Riordan draws back her bow to skillfully place the arrow on the bull's-eye.

Debbie Neff, Ardith Shaffer, Jane Riordan, Mary Morally, and Andrea Parrish pose around

their triumphs at target number one during fourth period archery. Note the bull's-eyes.

ABOVE: Senior Cathy Baumgardner heaves the volleyball at her opponents during a frightful game of murder ball

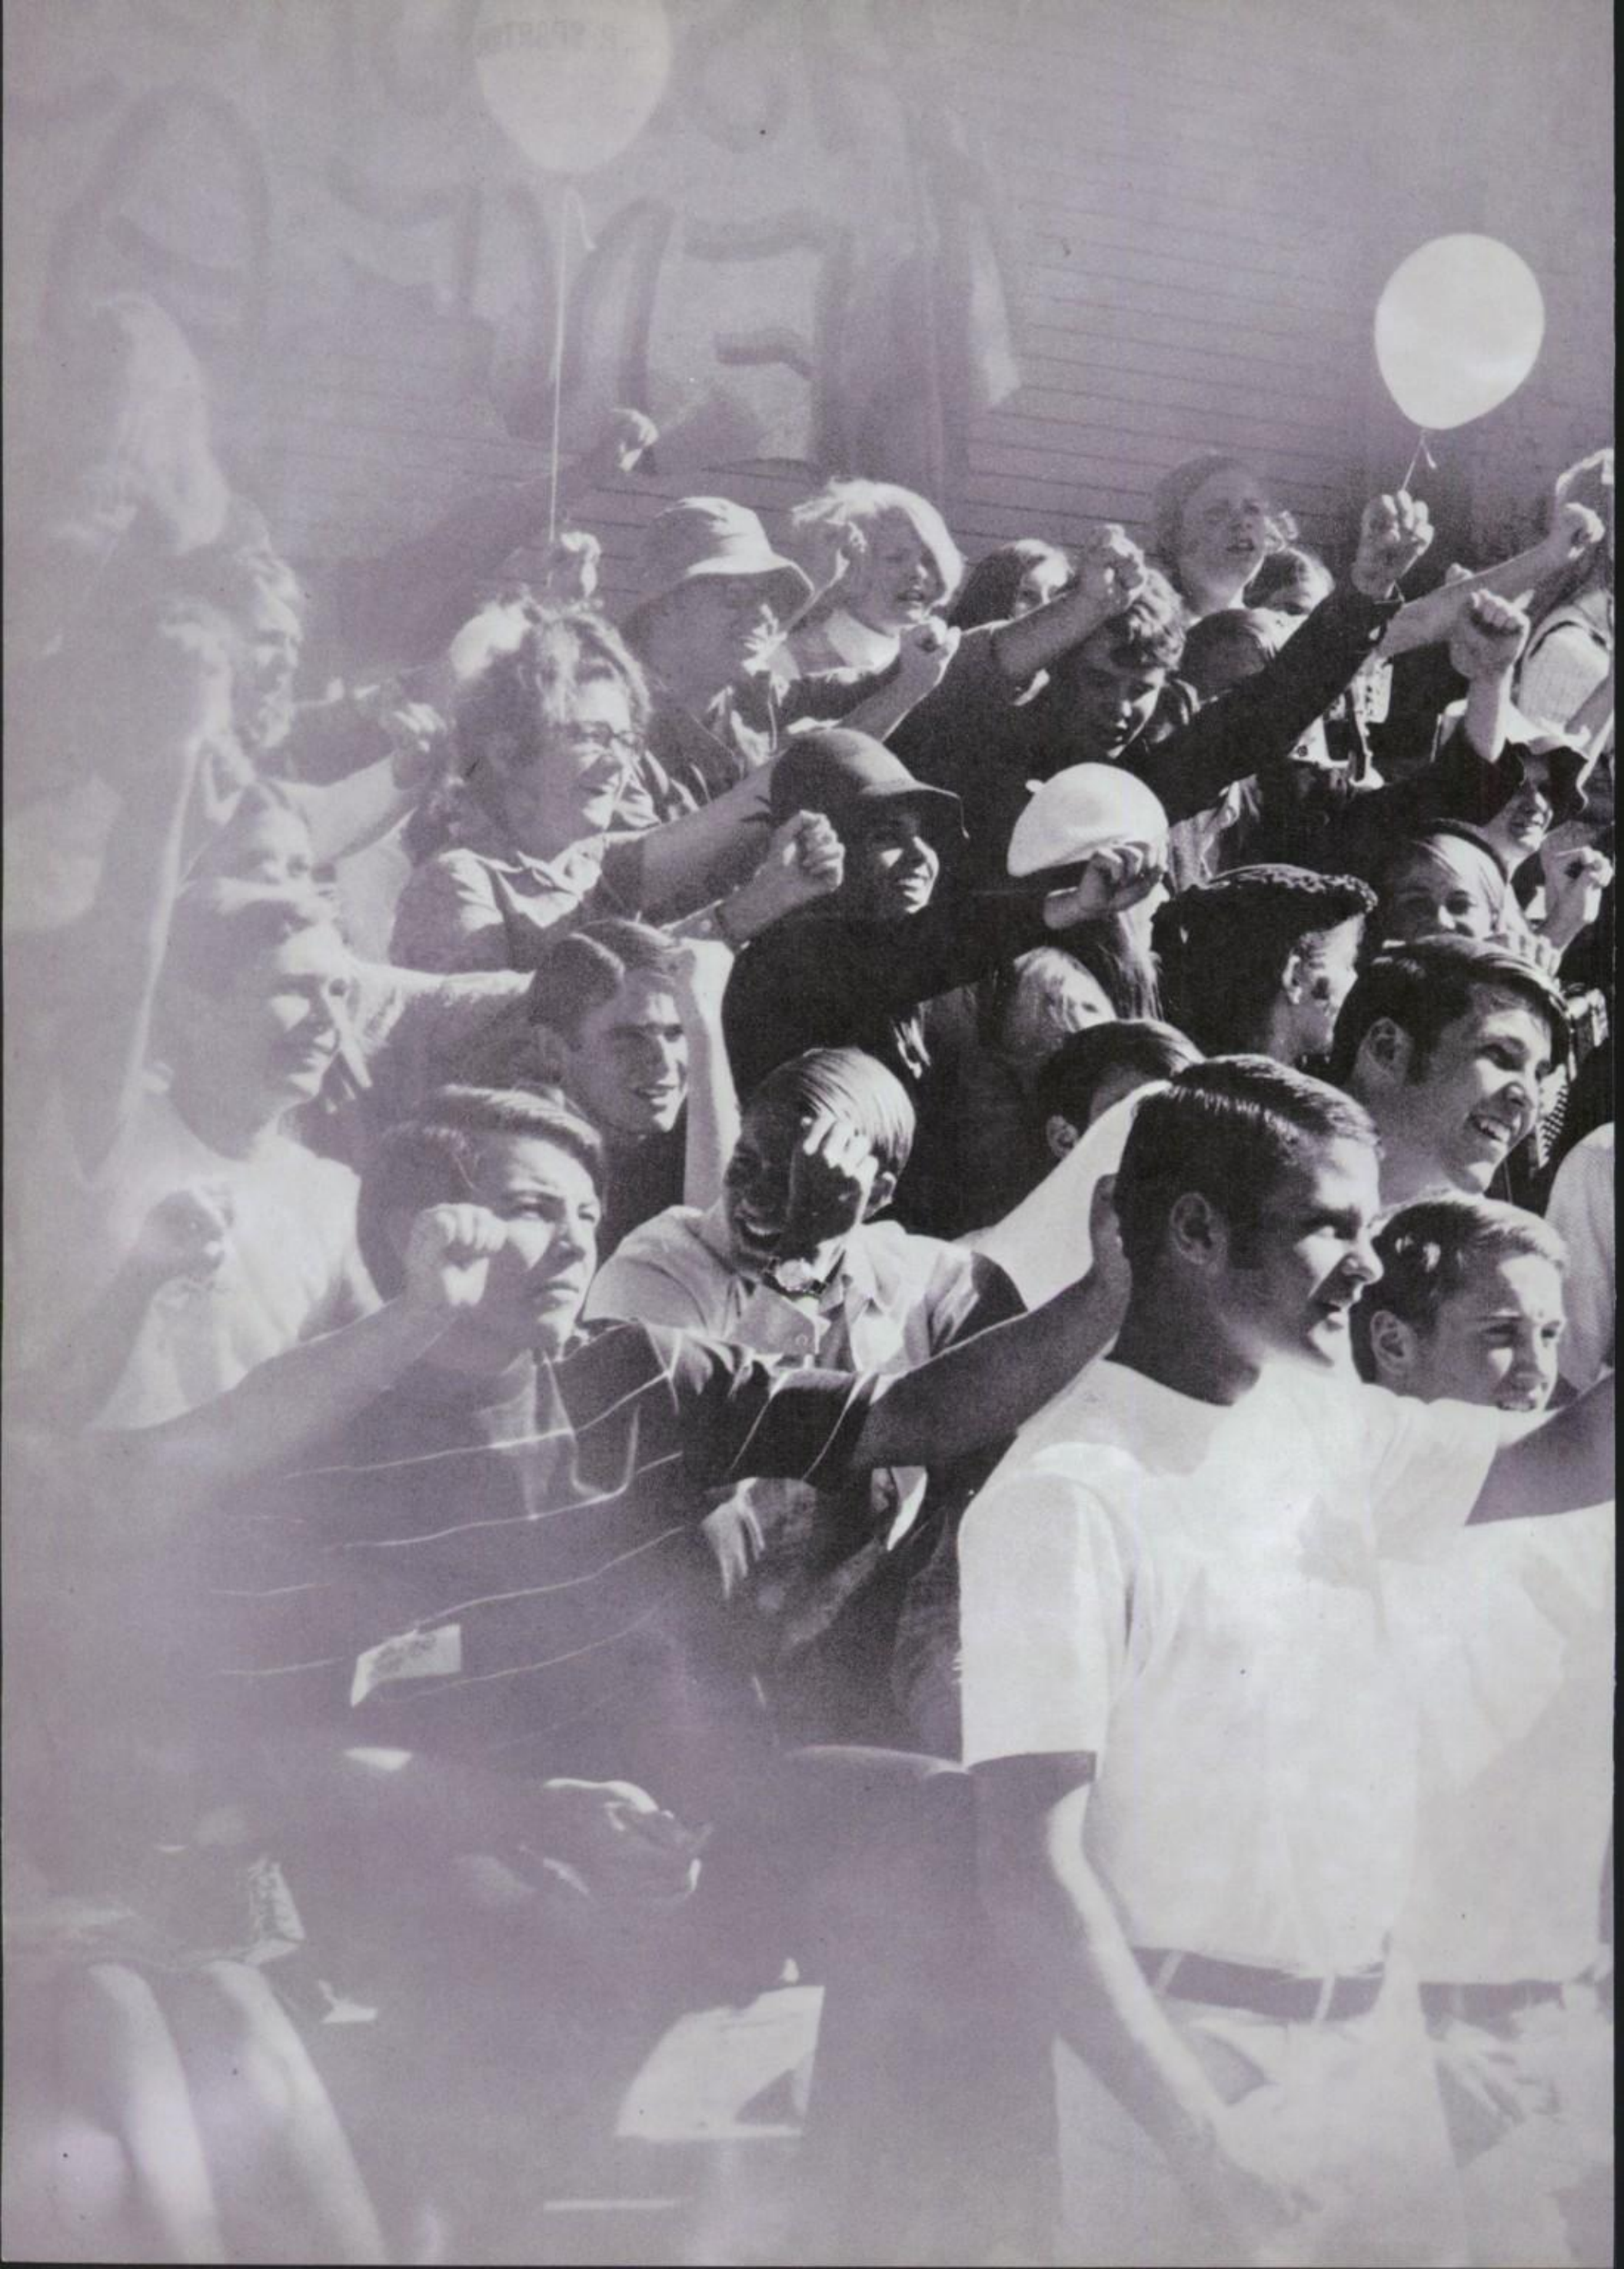

LEFT: Mrs. Sally Witt, confidant to many VPHS girls, expresses satisfaction.

In Girls' Physical Education classes, a variety of individual sports are offered in addition to those given in G.A.A. Classes in other sports included golf, gymnastics, archery, track and field, slimnastics, advanced dance, modern dance, and folk dance. The classes were all offered for one quarter. Murder ball, a form of dodge ball, was played when the weather prohibited the regularly scheduled classes.

Deirra Beauvallier perches on the parallel bars during break from strenuous dance sessions.

Seventy to more distinguished achievements

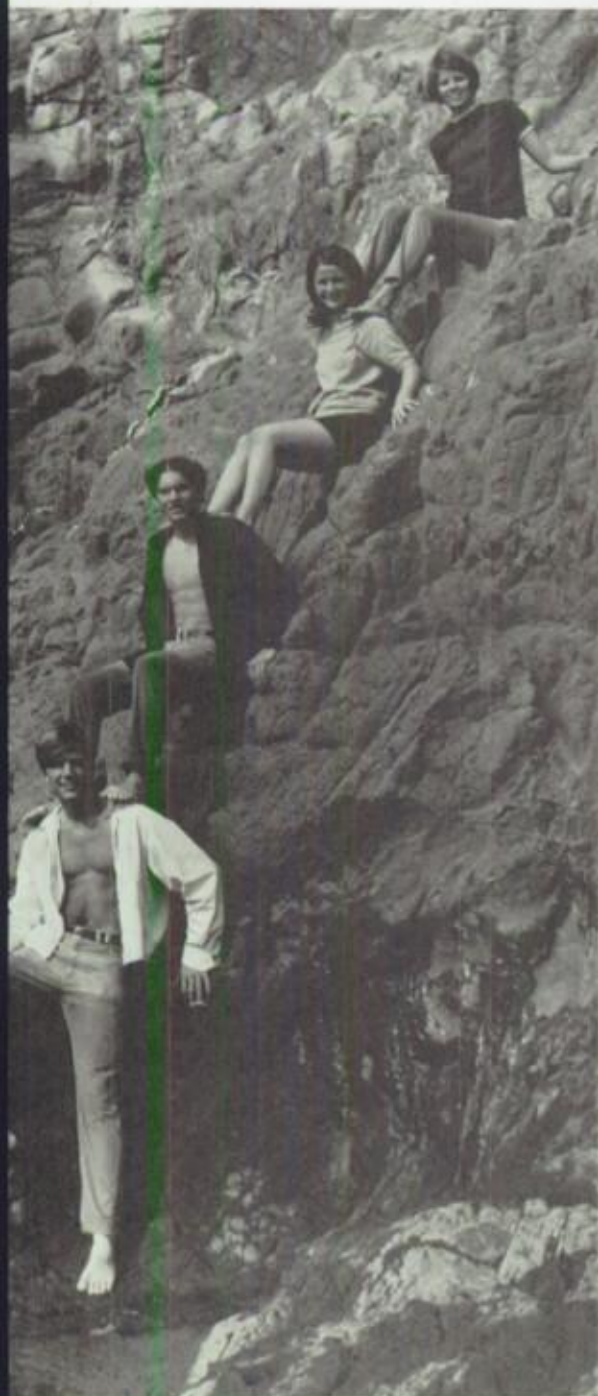

Steve, Diane, Gerry, and Sharon bring fresh ideas and splashing enthusiasm to their leadership roles.

The 1970 officers planned and promoted many new and stimulating activities.

Senior officers form a strong link to support projects and promote unity in Class of '70.

Michele Spelliscy and Ron Metcalf enjoy Coronation festivities as they are served punch

by junior high school girls. Coronation, held at South Coast Plaza, highlighted January.

Senior spirit runs high as Spartans hope to "Pulverize the Panthers" during Spirit Week.

Senior activities proved an excellent means for demonstrating spirit. The spirit stick was presented to the Class of Seventy many times throughout the year and the special Spirit Week award went to seniors for their "Birth of a Spartan" assembly presentation. The Senior Breakfast, held in November, challenged Seniors to hold down pancakes and sausages in gale-strength winds. Mistletoe and holly decked VPHS as seniors spread Christmas joy to all on the seventieth day of school. Coronation was the next activity on the agenda. "Twilight in Ice" was a tremendous success, leaving the senior class the wealthiest in Spartan history. Coke and helium balloon sales at football and basketball games also contributed to the wealth and fame of the Class of '70.

Our moment is upon us.

In the past we have only watched

From an isolated balcony

As the World Stage presented its play.

We have served as a receptive audience

Learning, questioning, criticizing the performance.

Our applause has been received with joy.

Our criticism with concern.

We've been a demanding audience

But only an audience.

For our dreams remain as dreams

And our reality is found by others.

But our stage has been set.

We enter the theatre in an era of change.

The show is ours to direct

The outcome is ours to determine.

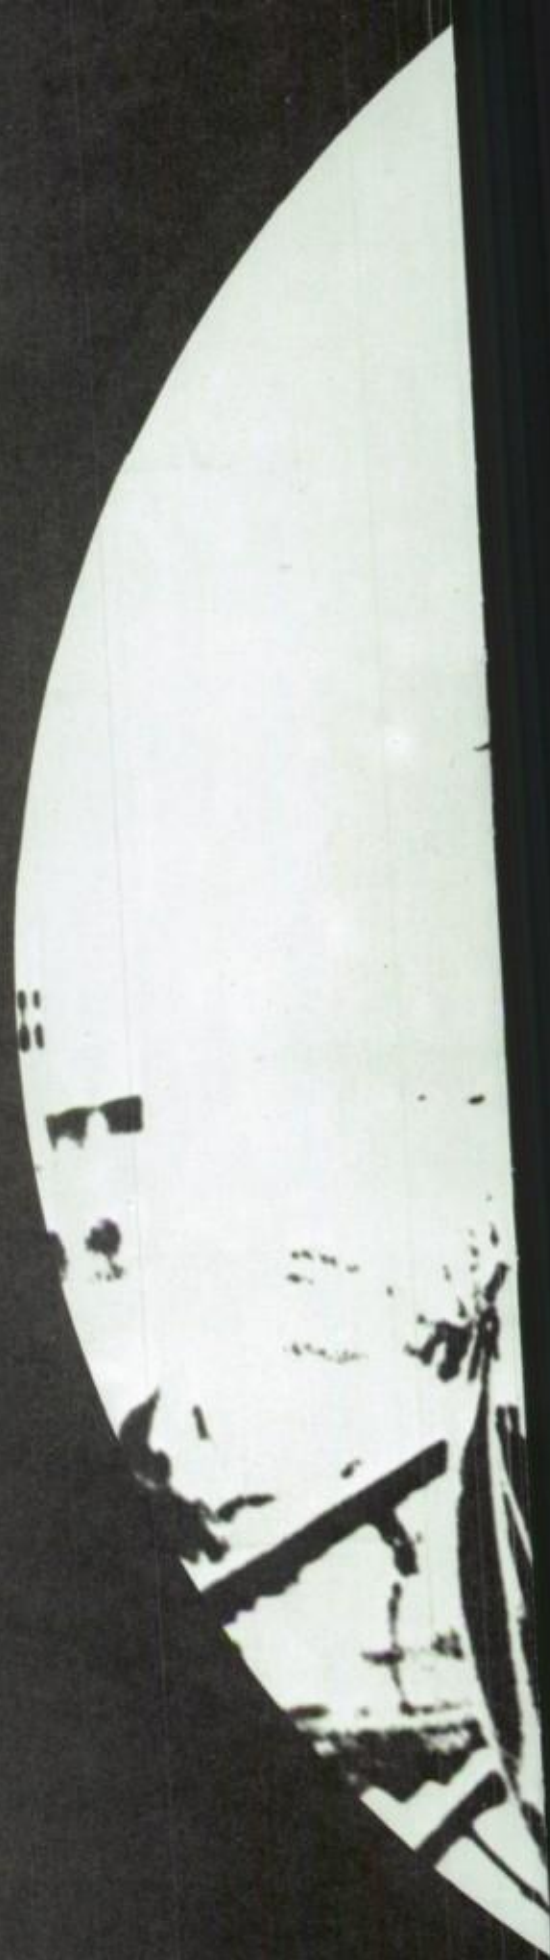

Our dreams will now become reality,

For we are the new stars;

It is now our turn to shine.

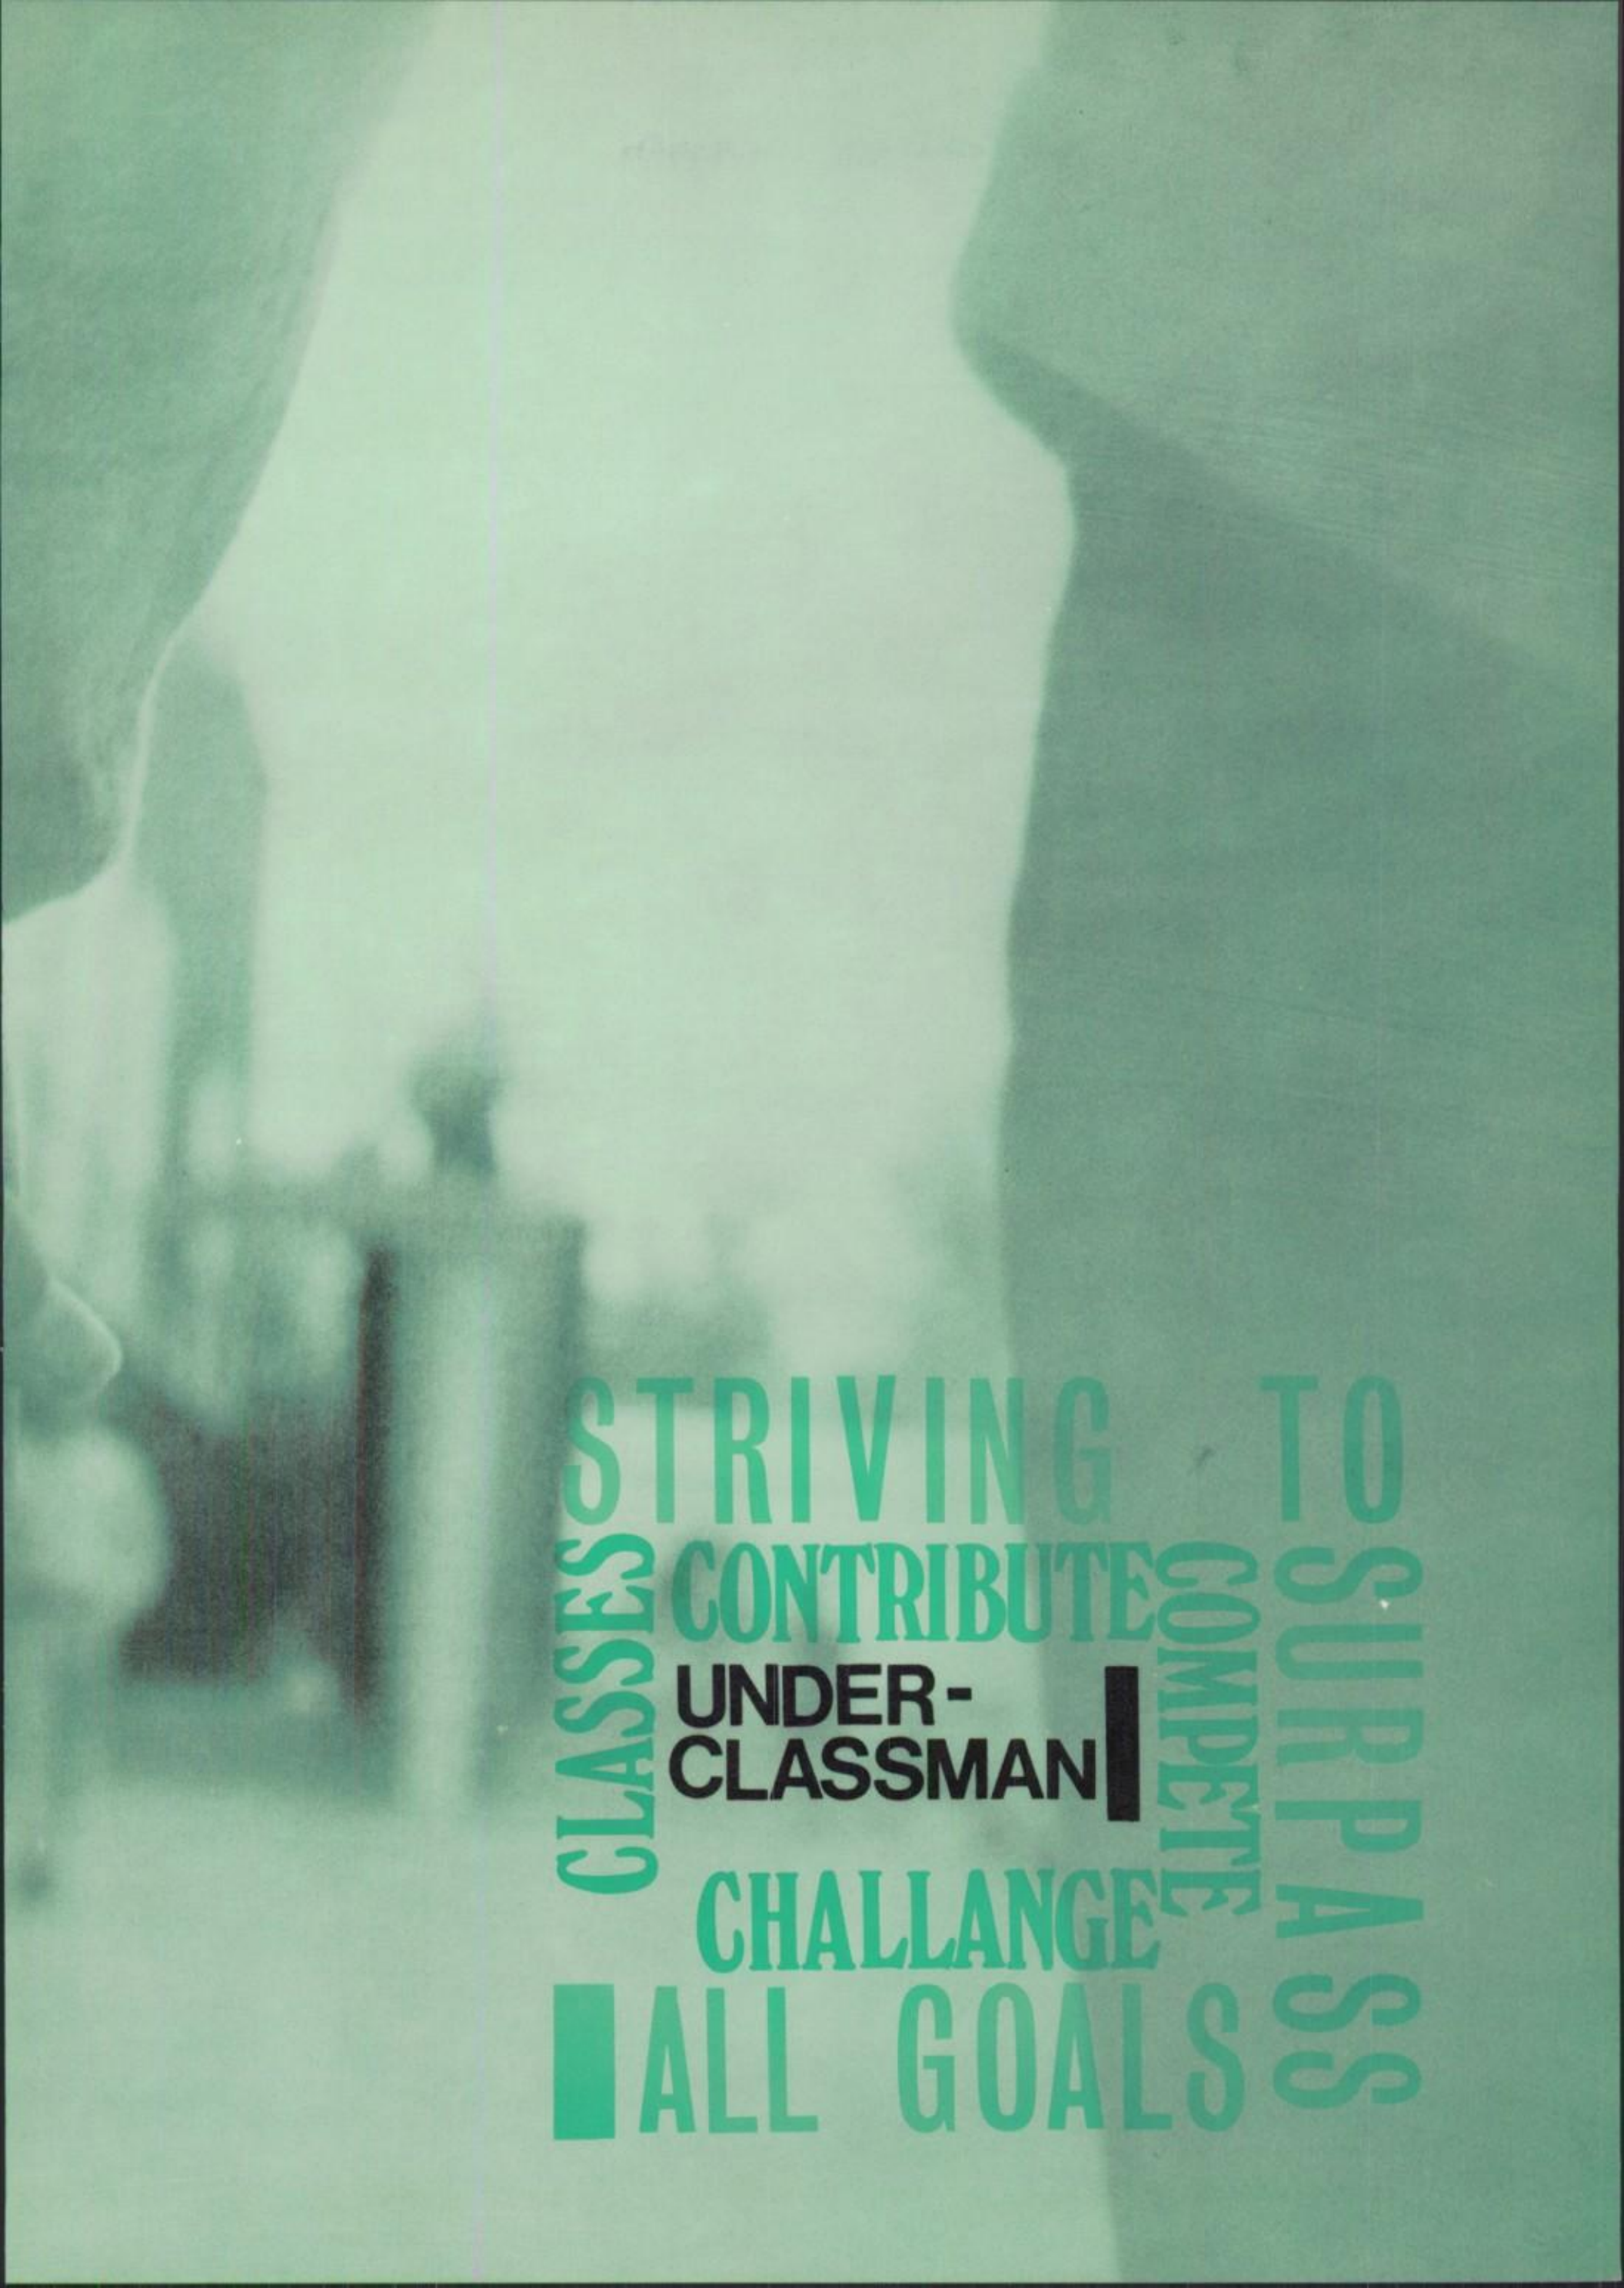

And we shall.

The Junior Class of '71 moved into its second year at Villa Park under the leadership of a responsible cabinet.

Winning the Spirit Stick at the first pep rally gave the Juniors a headstart in weekly competition between classes.

Overcoming last year's debt and holding a successful Prom were the main objectives for this year. The hard-working members of Steering Committee achieved this by means of many bottle drives and a fund-raising dance after the basketball game with the Orange High School Panthers.

During October, after many months of waiting the Juniors finally received their class rings, officially marking them as VP's upperclassmen. Spartan pride sparkled on nearly every hand.

So as the year of '69-'70 came to an end the class of '71 gazed back on its Junior year with contented smiles and looked into its Senior year with anticipation.

Mike Timpane, Jeff Hambarian, Craig Flournoy, tackle the challenge of making a man.

Susan Salem readies herself for clash with Orange High Panthers—VPHS lost, 28-2.

September signaled the start of a new and more challenging year for members of the sophomore class of '72 as they began their high school careers. Adjusting to the new routine, sophomores added to the traditional Spartan spirit, claiming the prized spirit stick during the second pep rally of the year. Led by President Mike Loader, Vice-President Al Franzone, Secretary Hope Bosheff, and Treasurer Nancy Wieman, sophs wholeheartedly plunged into the mainstream of Spartan activities. Spirit was clearly evident as enthusiastic sophs participated in a range of activities, such as Friday pep rallies, a somewhat disorganized sophomore spirit day and numerous treasury boosting bottle drives. Individual sophs became involved in such diverse school activities as band, drill team, Drama, and journalism. As their first year of high school came to a close, the lowest underclassmen look forward to Junior status: Representing the largest class ever to enter Villa Park, these sophomores have gained the necessary experience to prepare them for the important jobs ahead—as juniors and leaders.

Sophomores experience Spartan ups and downs at registration. Bob Gumpertz introduces sophomore class officer candidates.

The background image shows a biology classroom. On the left, a microscope is visible. In the center, a corn cob sits on a surface. On the right, a large poster illustrates the life cycle of a fly, showing stages from egg to larva to pupa to adult. The poster includes labels such as 'Egg', 'Larva', 'Pupa', 'Adult', and 'Stages in the life history of the fly, complete metamorphosis'. The text 'NEW METHODS' is written vertically on the left, 'FACULTY' is written horizontally in the middle, and 'ACCEPTANCE' is written horizontally on the right. The word 'KNOWLEDGE' is written horizontally at the bottom. The words 'TEACHERS', 'EXPAIN', 'GAIN', and 'AND' are written vertically on the right side of the image.

A new figure was seen leading the 2250 Spartans of Villa Park High. Maury Ross, Ed. D., returned after a five year absence spent as an administrator for other schools in the Orange Unified District.

Dr. Ross served as assistant principal in charge of pupil personnel at VPHS in 1965-66, the second year of the school's operation. Then, as now, he was actively involved in student activities; the 1966 Odyssey shows him participating in the annual don-key basketball game.

Having gained the students' respect and admiration for his calm, competent handling of the "Gumpertz Affair," Dr. Ross soon became a familiar sight in classrooms and on campus during nutrition and lunch. He views the educator's role as "... the unique responsibility of preparing people to live in a future we can only envision. Our planning and thinking today must reflect the demands to be placed on education ten or twenty years hence."

Dr. Maury Ross completed his first year as principal of VPHS. He established a close relationship with students and teachers and

was always willing to talk over any problem or complaints.

Administrators follow guidelines set by OUSD

Superintendent Harold Kibby heads the OUSD administrators. Mr. Kibby has been district superintendent since 1953 and has piloted programs for thousands of Orange and Villa Park students.

OUSD Board of Trustees: (seated) Eleanore Pleines, Chairman Bert Skiles, Ruth Evans. (standing) Robert Elliott, David Miller, Gilbert Darwin and Keith Lynn. Trustees are respon-

sible for formulating policies, providing educational facilities, allocating the budget and supervising curriculum.

Assistant Principal Bob Carter smiled benignly while supervising attendance, discipline, extra-curricular activities, bell schedules, bulletins and announcements.

Assistant Principal George Osborn, a charter member of the VPHS faculty, coped with sub-

stitute and student teachers, campus supervision and teacher evaluation.

Dean of Students Louis Alvarez meted discipline with a gentle voice and an understanding attitude.

Director of Student Activities Don Buck coordinated the calendar of events and advised the student cabinet and the song and cheer leaders.

Bob Carter was Villa Park's new assistant principal in charge of pupil personnel services. The six-foot, five-inch ass't. principal supervised student registration, counseling, guidance, testing programs, discipline and control.

George Osborn was assistant principal in charge of instruction and curriculum. Mr. Osborne was also responsible for instructional materials and the overall supervision of the school.

New on the VPHS campus this year was Lou Alvarez, dean of students. It was his responsibility to see that students maintained a standard of behavior that would permit learning to take place. While counseling and conferring, he tried to help individuals eliminate or cope with problems.

Don Buck just completed his first year as Villa Park's first full-time Director of Student Activities. He worked with the student government in interpreting the ASB constitution.

Coping with situations ranging from personal problems to college entrance exam jitters, Villa Parks' counselors served as guides to 2200 plus Spartans. Sophomores received orientation guidance and help in planning schedules, juniors and seniors were advised about college entrance requirements and career preparations.

Self-expression and creativity were fostered in the various art classes this past year.

Art I taught the use of color and design; Art IV allowed for individual expression and interest into different fields and forms of art. Crafts, Ceramics, and Commercial Art were other subjects taught with the intended goal of helping the individual student learn the basic fundamentals of design and production.

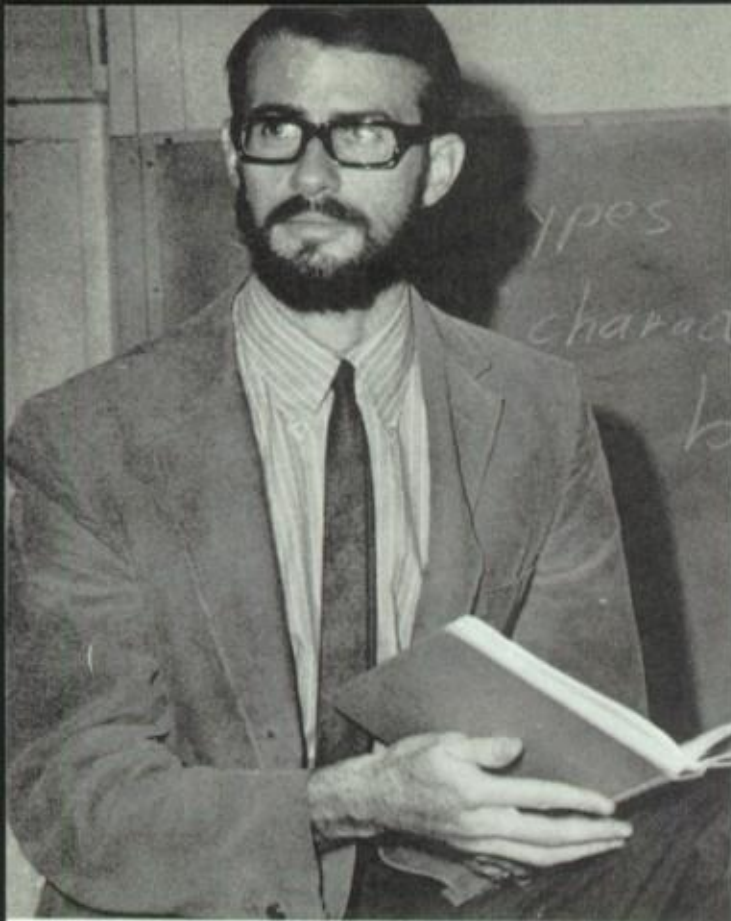

Art II and III worked with rules of proportion and with such media as acrylics, watercolor, and pastels.

The commercial art classes worked on lettering, illustration and silk-screening while striving for a professional standard.

The choral department at VPHS offered several levels of choirs to the students. Beginning mixed chorus, symphonic choir, and vocal ensemble were all performing choirs and entertained the student body and the public many times throughout the year. Several courses in instrumental music were also offered.

Strings, cadet band, and concert band were offered to advanced students. The award-winning Spartan marching band learned routines in class and performed at halftime shows and in various competitive events. The instrumental ensemble provided concentrated studies in a variety of musical mediums. A class in music appreciation was also offered to students who wished to study all kinds of music and composers.

The subject which students are probably most exposed to in high school is English. The greatest variety of teachers, also, are found in this area. The English program is set up in such a way that each sophomore will have to take a one-year class in American Literature. After the completed year, the student may choose any two English electives to meet the graduation requirements. The English electives are novel, short story, world masterpieces, British literature, senior composition and advanced reading.

The speech and drama department, under the guidance of talented teachers, has expanded in size and has become even more superb in quality. There is now a National Forensic League for all students involved in speech. NFL competes in speech tournaments throughout the county. Another credit to Villa Park High School has been its outstanding debate teams.

Speech and drama students participated in a fall assembly, Christmas play, and Spring production.

Students at VPHS sought to expand knowledge by studying foreign languages. Included in Villa Park's language program was the opportunity to take French, Spanish, German, or Latin. A large emphasis was based on listening to, and the proper pronunciation of, each language by using Audio-Lingual Materials' program. This program increased the pupil's speaking skills, through repetition and response drills in the language laboratory during skill exercises.

Several classes, auto shop, drafting, electronics, machine shop, metal shop, and wood shop, are offered by the industrial arts department. Projects, field trips, demonstrations, class discussions, and instructional aids are used extensively to aid the students in developing their individual skills. These skills, learned by the students, are valuable to anyone who wishes to go into any of the many industrial manufacturing trades of modern industry today.

P.E. promotes physical fitness; homemakers

To the surprise of many, the art of homemaking is not an easy one to master. For those interested in foods, clothing, economy of the home, and family living, there are any number of classes. The homemaking classes of 1969-70 held an open house for the faculty and parents of girls involved in these classes. There were demonstrations in table settings as well as all types of Christmas goodies to sample.

The past gives answers; safety

Every graduate of Villa Park took U.S. history and American government as essential graduation requirements. U.S. history classes begin at the Renaissance period and conclude with the present day history of America. All history courses were taught with a seemingly inexhaustible freshness as teachers virtually recreated it by using class projects and weekly films. Through independent research, juniors endeavored to make detailed studies of their American heritage. As a senior, the student was awakened by American government courses to today's challenging political situations. Emphasized in this course was the basic philosophy of American government that it is "of the people, by the people, and for the people."

Driver Training is a course in practical driving skills. This training consists of twelve hours in the training simulator and twelve hours in a driver training vehicle. Also, nine hours of observing and three hours of actual driving are required. This course is open to all VPHS students.

Special services, secretaries work to keep

The goal of the Hard-of-Hearing classes is to provide educational experiences that will place aurally handicapped students (deaf and hard-of-hearing) into normal social and work-a-day contacts with hearing people in order that an environment might be provided to develop their potential to the maximum. Mr. Al Mascucci, teacher of the program, states, "We also teach speech, speech-reading (lip-reading), auditory training and any other skill needed to complete educational fulfillment."

Mr. Al Mascucci
Hard-of-Hearing Teacher

Wounded and ailing Spartans frequently made their way to the office of Miss Alice Herrick, Villa Park High's school nurse. In addition to keeping health records on all students and caring for those who became ill or injured during school hours, Miss Herrick administered sight and hearing tests, contacted parents when students needed to be sent home, advised teachers and counselors concerning physical disabilities and chronic health conditions, and kept in touch with students who were required to be out of school for prolonged periods. Miss Herrick has served as the Spartan "patcher-upper" for the full six years of VPHS existence.

Mrs. Enid Taylor, librarian, lessened the load of responsibility on students and teachers by lending friendly and efficient assistance in finding materials in the Villa Park library. Along with helping those in search of information, Miss Taylor instructed sophomore English classes about library uses, and was responsible for training student "practice" help. The library was a place where students could find solitude and an environment conducive to study. Books and magazines on almost every subject were available, and daily newspapers were always on hand for those interested in current events. Many students made use of the typing room in the library to complete project and term paper assignments.

Department secretaries Mrs. Withrow, Mrs. Crossman and Mrs. Blakemore typed hundreds of ditto masters and supervised the flow of instructional materials for team teaching staffs; library assistants Miss Day and Mrs. Foross issued books, audio-visual equipment and information; counselor's and administrators' secretaries set up appointment schedules, sent call slips and sorted stacks of correspondence while trying to anticipate the needs of their busy bosses. Mrs. Caldwell kept attendance records and class schedules current and Mrs. Zeigler coped with transcripts and records. Howie Warg, a favorite custodian, reveals his legs as a contestant for the "Mr. Legs" contest.

Skilled activity by conscientious personnel was seen inside the VPHS cafeteria. The cheerful food staff prepared hot balanced lunches for about eight hundred people and served hamburgers, burritos, sandwiches and a multitude of other short order items from the twice-daily besieged school snack bar.

The silent crew which maintained Villa Park High's grounds and classrooms were seen less than were the results of their work. Through their efforts mounds of debris and barrels of trash disappeared from Spartanland. Custodians worked late at night sweeping floors, erasing boards, hosing the yards and replacing fluorescent lights.

Orange Unified School District's capable bus drivers spirited Villa Park students to and from school through dust and rain. Reliable and calm, the drivers always managed efficient control of their lumbering vehicles and their quixotic charges.

serve well; students choose faculty favorites

Teacher Superlatives are included in the Odyssey this year for the first time. Mrs. Schepe, selected for her tremendous interest in VPHS, is often seen participating in pep rallies and other school events. Serving as adviser to the senior class kept the popular biology teacher even more involved. Mr. Long is known for his interesting and informative digressions in sophomore history classes. Well-known for her willingness to listen, Mrs. Fischer is always ready to advise any student who needs help. Mr. Brunt is continually prepared with humorous antics or a glib remark to liven his classroom and history lectures. Strongly convinced that students should enjoy themselves while learning, Mr. Bullock was chosen as the most entertaining teacher. The Odyssey staff takes pride in recognizing the outstanding qualities and services of these teachers.

This space is being donated by the Odyssey staff in gratitude and appreciation for the outstanding efforts of our Journalism adviser, Mrs. Lowman, far beyond the call of duty. In some small way, we wish to make up for the trying classroom moments and for subjecting her to pre-deadline insanity.

THANK YOU MRS. LOWMAN!!!!!!

Spartans move on to meet new challenges

Excitement, boredom, happiness, sadness, disappointment, worry, relief, anticipation, accomplishment, and pride are the kinds of experiences that make a yearbook staff. Every publication staff experiences these things; but to each individual staff, there are things that are unique.

I am sure that I, and the rest of the 1969-1970 Odyssey staff, shall never forget . . . the "retard bus" . . . deadlines . . . "borrowing" ice creams from Doug Farson . . . the Christmas party . . . losing headline sheets . . . losing pictures . . . skipping classes to work . . . counting characters . . . typing never-ending senior copy . . . working late hours . . . going advertising . . . the "Whopper Brigade" . . . working on weekends and on vacations . . . running out of triplicate . . . "Where's the stamp?" . . . "the many moods of Mrs. L." . . . handing in the faculty section . . . taking club pictures . . . "crunching" in all the underclassmen . . . visiting the packing house . . . all the troubles with three columns . . . the fruit bowl . . . the disorganized proofbooks . . . trying to keep everything a secret . . . our cooperative photographers . . . "Doris!" . . . visits from the Taylor representative . . . handing in the last pages to the publishers . . . getting the first brownlines back . . . proofreading . . . the day the Odyssey was delivered.

I want to record on paper my sincere gratitude to my wonderful adviser, who has dried my tears, bolstered my spirit, listened to my problems, sympathized with my errors, and has become my friend. My many thanks to you, Mrs. Doris Lowman; I will have fond memories of our association this past year.

I would also like to give a special thanks to . . . **Mimi** and **Suzy** for cheering me up when the going got rough . . . **Paul Kane** for designing a cover of which I am very proud . . . **Michele** and **Gail** for handling the underclass section in class time . . . **Brian** and **Larry** for keeping Mrs. Lowman on her toes . . . **Rob** for having put up with the nagging both at school and at home . . . **Rick** for teaching me how to print pictures . . . **Mrs. Wilson** for knowing all the answers to all our questions . . . **Lorraine** for editing all the copy in the book . . . **Gail** for all the advertising she solicited . . . **Mindy** for coming to class on time every day . . . and **Mr. Lowman** for letting us borrow Doris many a late night and long weekend.

This has really been quite a year for me. I have truly enjoyed being a part in the production of this yearbook, and I am proud of the results of all our efforts. Thank you for giving me the honor of being the 1969-1970 Editor.
